

# Course Attendance Policy

## EDU 705 - Dr. J. Mior

You may have to miss class as a result of personal circumstances. In order to still receive your contracted grade, you **may** select do make-up work.

In order to have a fair and consistent policy about missed classes, all candidates will be treated equally. Missed classes will require make-up work to be done or your grade will be adjusted accordingly.

The ground rules for missed classes are:

1. If you miss a class or weekend then you are required to do make-up work
2. If you **choose not to** do make-up work then the following applies:
  - If you miss one full class (3 hours) → will result in a partial grade reductions (i.e. A becomes A-)
  - If you miss one full weekend → will result in a full grade reduction (i.e. A becomes B)

### Make Up Format

Select an instructor-approved issue and write a 5-7 page report using the following criteria:

- Issues definition
- Literature Search
- Personal reflection on issue
