

I am here when you need me!

I want to make sure that you can get in touch with me when you need me. My office hours are flexible to meet your schedule and your personal needs. Of course, you can always see me before class, during class and after class. But there will be times that you need to talk to me out side the classroom.

My timetable is posted outside my office (Rm. 221) and on your course web page. If I am not in my office you can email me at joe.mior@flamingcollege.ca and I ill respond as quickly as possible. If you want to make an appointment, just email me and give me a couple of times when you are available. I will email you back to confirm a time.
