

# Quantum Leaps - Dr. J. Mior

## Portfolio Five F2011

Student Name:

Student Number:

John Balchin one wrote of da Vinci:

“The genius of Leonardo’s designs for his inventions so far outstripped both his contemporaries’ intellectual and contemporary that they were rendered literally inconceivable to anyone but him.”

Based on the lecture and the films viewed in class explain what the above statement means and how it is justified by referring to some of da Vinci’s accomplishments.
