

Quantum Leaps: Scientists Who Changed the World

Portfolio 7 W2013

Dr. J. Mior

Student Name:	Student Number:
----------------------	------------------------

- a) Galileo Galilei was at odds with the Catholic Church. Explain what the basis of this controversy was and how it was resolved. Your answer should discuss why the controversy was so important.
- b) Discuss what Galileo went on to do once the Church passed its sentence on him.

“I have never met a man so ignorant that I couldn't learn something from him.”

“You cannot teach a man anything; you can only help him discover it in himself.”
