Instructions for Submitting Assignment

1. Must be word processed using Microsoft Word
2. Provide a proper title page (making sure you have your name on the title page).
3. Use proper grammar, Canadian spelling and use complete sentences.
4. You only have to answer five (5) of the ten (10) questions provided.
5. Number each question referring to the number provided on the handout. For example, if you are answering questions 1,3,5,6,7 your answers will be numbered 1,3,5,6,7.
6. In providing your answer support your statements with actual references to scenes in the film.
7. Use the following format to name your file:
name of assignment_your last name_course title
iamsam_mior_hm
This will make it much easier for me to handle the multiple files I have for four different courses.
8. Submit your file electronically in the D2L Dropbox.
9. Once I have reviewed your answer you will get feedback using the review feature in Word. I will show you how this works in class.
